Subject ‡ Village school buildings

The D.P.I. requests that an additional allotment of Rs 30000 may be sanctioned on account of village school buildings for the year 1902-1903

Letter No 5265/179 dated 13th Dec from the D.P.I. of Edn.

Note

At the time when the village school Fund Budget for 1902-1903 came up to Govt for orders, the D.P.I. of Education had sent up a statement of building works for which appropriations were required during the year 1902-1903, and requested Govt that a sum of Rs 42,662 might be sanctioned and included in the budget

But owing to the want of funds, Government only sanctioned a sum of Rs 13,000/ on account of village school buildings This

*1 Statement of case in narrative form in regular sequence of subject matter or date
2 Opinions to be stated only as supported by precedent or general rule which should always be quoted
3 Serial numbers in file &c to be always stated
4 Dates of important documents referred should be given
5 Write on both sides leaving the same side as margin

Yes was inclusive of the normal allotment of Rs 5000 for buildings

The I.G. now reports that out of the sanctioned allotment of Rs 13,000, a sum of Rs 10940 will have to be set apart for ~~completion~~ buildings undertaken already but not yet completed.

He on his own authority has sanctioned a sum of Rs 2042 for petty works and repairs

The I.G. ~~therefore~~ says that scarcely any balance is left out of the sanctioned grant either for new works or for the cost of petty works and repairs which has yet to be incurred up to 30th June next, and requests therefore that an additional grant of Rs 3000 may be sanctioned for petty works and repairs

He says that it is not possible to show a reappropriation of such a large amount of Rs 3000 from the items of the sanctioned budget

Submitted for orders to Secty

	10940
	2042
	12,982
Balance Rs	18
	13,000

3

Some additional grants seem necessary Please But the Comptroller has already given his opinion that no additional expenditure can be safely sanctioned this year May the D.G be informed that he sees effect savings to meet further expenditure?

OFFICE OF THE DEWAN OF MYSORE

Record of Cases Coming before the Council of H H the Maharaja

Subject—(Clause III of Schedule)

Supplemental Grant of Rs 3000
(Village School Fund Budget)

Secretary's Note

In the Village school Fund Budget for the current official year, a provision of Rs 13,000 has been made for Village school buildings (vide G O No 4232-3 Ed F 20-96 d the 20th Septr 02, also page 5, of the Budget Copy put up) The above allotment is inclusive of the normal Grant of Rs 5000 which is repeated every year in the budget on account of ordinary repairs to Village school buildings and for Petty works owing to want of funds, the D G's request for more funds made at the time when the budget Estimates came up to Govt for orders, could not be complied with

The D G C now reports that out of the sanctioned allotment of Rs 13000, Sum of Rs 10940 will have to be set apart for buildings undertaken already by the D P W but not yet Completed ... Rs 10940

He on his own responsibility has

Carried over	Rs 10940
has sanctioned a sum of Rs 2042 for petty works and repairs ---	2042
(ie for 5 months ending with Nov 1902)	12982
Balance	18
Rs	13000

The DJC states that the above distribution of the sanctioned amount scarcely leaves any balance whatever either for new works or for the cost of petty works and repairs which has yet to be incurred upto 30th June 1903 He therefore requests that an additional grant of Rs 3000 may be sanctioned for petty works and repairs The demand on account of ~~petty~~ repairs and ~~disinfection~~ ~~works~~ is reported to be very great on account of plague

The DJC is unable to point out ~~---~~ savings under any other sanctioned heads in the budget from which the additional charge in questions may be met by re-appropriation

Hence it has to be sanctioned as a supplemental grant

Edn 68 of 01 +

SIR,

In continuation of my letter No 10730/332 dated 10th June 1902, I have the honour to submit a list of building works required to be provided for from the Village School Fund. The Incomplete Works of the current year will require for their completion Rs 6609 at a rough estimate. The New Works mentioned in the list are buildings towards the cost of which the villagers have contributed per cent and are urgently required on account of the importance of the schools and the bad accommodation they have at present. The amount required for the New Works is Rs 33[illegible]. The amount required for Petty Works and Repairs is put down at the usual figure of Rs 3000. The total amount required for building works is Rs 42[illegible]. Of this Rs 3000 has been provided in the Budget estimate of the Village School Fund Budget for 1902-03, and I attach a Special grant of Rs 37662 to meet urgent claims in the year of scarcity. I request that Government may be

6500 + +

+ Edn 80 of 01 Sl 2

pleased to [illegible] this point

(2) With reference to para 2 of Order No 11-30-31/[illegible] dated 11th January 1932 I have the honour to submit that I see no advantage in referring questions relating to the selection of villages for new school buildings to the Deputy Commissioners who would in most cases have to depend upon the opinion of the Assistant Commissioner in charge of the Taluk The statistics of the population of the village the number on the roll, the average daily attendance the previous history of the school, the interest taken by the people in the maintenance of the school and the subscription paid by them towards the cost of the school building are better means by which to decide whether a village deserves to have a good school or not given above I see no objection to consult the Deputy Commissioner in doubtful cases but to do so in every case does not seem to me necessary or desirable, and is likely to cause much correspondence and long delays without corresponding advantage

I have the honour to be

Sir

Your most obedient servant

H J Bhabha
Inspector General

Remarks

The strength is 33 and the average attendance 28. The present building situated in the busiest part of the narrow street is ill-suited for the Girls' school. A new building on a healthy site is necessary The present building will fetch about 1000 Rs if sold which may go towards the cost of the new school

One Mare Gowda has built an upper storeyed house touching the side wall of the present school house (formerly Anche house) so as to damage its foundation The present school building is situated in an unhealthy locality and even after the settlement of the dispute about the wall; the present building will not be suitable for the school. The Gowda agrees to buy up the school house for Rs 150 but the Deputy Inspector states that it may fetch more if sold by auction through the Revenue authorities

A site was purchased for 150 Rs from Chikka Tamma of Kikkeri through the Deputy Commissioner Mysore for the extension of the school compound, It is necessary to extend the present school house. Rs 500 was entered in last year's bot.

- The extension of this school is necessary on account of increased attendance.

The strength of the school is between 30 and 40. The peoples contribution of Rs 100 towards the cost of the new building was paid into the Treasury on 2/10/99 as reported by the Deputy Inspector in his No 310 dated 1st November 99

The strength of the school is 51 (47 boys & 4 girls). The Hobli school is badly housed. The people have contributed Rs 160 through the Shra Amildar towards the cost of the new Construction

Rs 115 has been collected from the Villagers of Rampur for the construction of a school building and credited to the Village School Fund The strength is 52 and the present house

No	Original or Repairs	Name of work	Amount of the Estimate
29	Original	Constructing a new building for the Hobli school at Kodadavadi, Chintamani Taluk	A Katcha building
30	— Do —	Constructing a new building for the Hobli school at Javagal, Arsikere Taluk	— Do —
31	— Do —	Constructing a new building for the Hobli school at Chowla Hariyur, Kadur Taluk	I Design
32	— Do —	Constructing a new building for the Hobli school at Talkad, Tirumakudal Narsipur Taluk	IV Design

34	— Do —	Constructing a new building for the Hobli school at Mayakonda, Davangere Taluk	A Katcha building

Remarks—

is unsuitable

The people paid Rs 50 into the Taluk Treasury on 13/9/99 towards the cost of constructing the new building

The school is now held in a temple which is not suitable for the school purpose The people's contribution of Rs 121 has been paid into the Taluk Treasury. A new building is necessary The Deputy Inspector has submitted an estimate for Rs 375 for a Kutcha house Roll 43, Average daily attendance 40

The people's contribution of Rs 100 has been paid into the Kadur Taluk Treasury towards the cost of the new construction the Villagers are too poor to pay more. Roll 37, Average daily attendance 27

The present school house is low and unsuitable for the school and will fetch Rs 120 if sold by auction. A new building is necessary The strength of the school is 120 The people have agreed to pay school fees as in a Taluk Branch school if a suitable building is erected. A building of the IV Design was entered in last year's lists

The present school house built by the people about 28 years ago was sold by auction through the Amildar for Rs 70, as it was old, ill-ventilated, incommodious and dark The sale amount was credited to the Village School Fund on 28/4/00 as contribution towards the cost of building a new school house The people's contribution amounts to Rs 100 and the Deputy Inspector proposes a building costing about Rs 300 for this Village school Roll 44, Average daily attendance 36.

The present schoolhouse is situated in an unhealthy locality and is unfit to be repaired being old &c The school is a very good one, the strength being 102 and the average attendance 99. The present building will fetch Rs 120 if sold. The situation of the present building does not admit of any extension

The above proposal of the
DSL, involving, as it does, a
large outlay of nearly Rs 43,000
on buildings At the same time
they are aware that the normal
provision of Rs 5000 is so small
that hardly any funds can be made available
and incomplete works Besides, for new
the construction of new houses seems to be necessary in
cases where contributions have already
been levied from the villagers
concerned these circumstances point
to the necessity that
exists that the normal provision
for buildings should be supplemented
by a special grant as was done
in the last 4 previous years Taking
all these things into consideration,
Govt are pleased to sanction
a grant of Rs 15,000/- (inclusive
of the normal provision) for buildings
for the current year The additional
grant of Rs 5000 herein sanctioned
is included in the current years' U.S.P
Budget. The DSL
is requested to submit fresh lists

of buildings works for wh
appropriations will be
made available out of the
above allotment

3 ~~It is further directed~~
Govt are of opinion that until
~~that so long as~~ new buildings
are not constructed for those
village schools for which
contributions have been
already levied from the people,
no new works should be
promised or contributions
received towards the cost
thereof
~~until orders~~
~~of Govt~~
orders

SIR,

With reference to Order No 4332-3 Ed-20-96 dated 20th September 1902, I have the honour to inform you that the amount required for incomplete works sanctioned last year from the Village School Fund Budget was ascertained from the Public Works Department only recently. The enclosed list of incomplete works together with the amount of appropriation which each work requires shows that a sum of Rs 10,940 is wanted for the incomplete works of last year alone.

2 Petty works and repairs sanctioned by me since July 1902 have cost Rs 2042

3 It will be seen that the appropriations for incomplete works, and the cost of the petty works sanctioned up to date together amount to Rs 12,982, which leaves no

balance whatever is there for new works or for the cost of petty works and repairs which has yet to be incurred upto 30th June next. With the plague prevailing throughout the Province demands for the charges of disinfection of school buildings come pouring in from all districts There are no funds available from which to meet even these charges.

4 Under these circumstances I request that Government will be good enough to sanction specially at their earliest convenience at least a sum of Rs 3,000 for petty works and repairs over and above the amount of Rs 13,000 sanctioned by the Order quoted above for building works in the Village School Fund Budget of 1902-1903 It is not possible to show a re-appropriation of such a large amount as Rs 3,000 from the items of the sanctioned budget of the current year.

I have the honour to be,

Sir,

Your most obedient servant,

H J Mabbs

Inspector General

Cost

Letter No 5269/179 dated the 13th December 1°02 from the I.G of Edn in Mysore

---------ccccoc---------

Order thereon ,-No 13566-7 dt:73 Ed F 20-96

SECTION-Education
FILE No-81/01
SL No-14

In the letter read above the I G reports that, out of the amount of Rs 13000/sanctioned in Govt Pro No 4332/ Ed F 20-96 dated the 20th September '02 on account of Village School Buildings, a sum of Rs 10940/has to be set apart for buildings already undertaken by the D P W but not yet completed , that the amount sanctioned by him for petty works and Repairs comes up to Rs 2042 and that the above distribution of the sanctioned amount scarcely leaves any balance whatever either for new works or for the cost of Petty works and repairs which has yet to be incurred up to June '03 He therefore requests that an additional grant of Rs 3000/- be

be sanctioned for Petty Works and Repairs

It adds that the demand for petty repairs and disinfection is very great on account of plague, and that it is not possible to ~~make~~ make reappropriation of such a large amount as Rs 3000/- from the items of the sanctioned budget of the Current Official Year

2. The allotment of Rs 10040/- on account of buildings in progress under the P W D is approved

I don't think this para was necessary - C

3 A sum of Rs 3000/- is sanctioned to defray the expenses on account of Petty Works and Repairs as a supplemental grant
